## ITALIAN

*Pizza Bar*

Dear Guest,

Thank you for considering Harry's Italian for your private event.

Harry's Italian is happy to accommodate groups in both its dining and bar areas for cocktails, sit down dinners, and both social and business gatherings. Our flexible seating plan allows for large party seating up to 150 people as well as cocktail parties for up to 350. Our menus are perfect for after work gatherings, and our high top table seating can be reserved to accommodate your friends and coworkers. From April to November our outdoor seating allows for an open air alternative to the traditional experience.

I will personally guide you through the booking process and, along with my experienced management team, will be present and available throughout your event to anticipate your specific needs.

We look forward to exceeding your expectations.

Sincerely,

**Danny Potash**
